

Crosspointe COVID-19 Update

Saturday March 14, 2020

In consideration of public health concerns related to COVID-19 and after speaking with the office of Governor Kemp we will not meet physically for worship services on Sunday March 15. We will be hosting services online and encourage you to gather with your family and worship together during our online service. Our primary concern is that we stay connected as a church family through online worship and other digital resources we will make available to you in the coming days.

Although this is an unprecedented situation for our nation due to the unknowns of COVID-19, this is not a time for the church to panic. Actually, in moments of uncertainty and crisis the church has the greatest opportunity to be a calming and reassuring presence to our neighbors because of the Spirit of Christ in us. We are reminded in 2 Timothy 1:7 that, "God has not given us a spirit of fear, but of power and of love, and of a sound mind."

We believe that giving is an act of worship and even though our physical gatherings might be limited for a season, let me encourage you to maintain your giving through our online platform or by utilizing text-to-give by texting 84321. We will continue to provide ministry and support to our community and your financial contribution makes that a possibility.

During this season we have an opportunity to show those around us the reassuring presence that a life submitted to Christ brings. The church is a place of hope and faith so let's continue to model Philippians 4:6-7, "Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God. ⁷ And the peace of God, which transcends all understanding, will guard your hearts and your minds in Christ Jesus."

In Christ,

Stan Lester
